

Dear Members of the RCCFO,

I am running for the 3-year Member at Large position. I am interested in being on the board to help improve officiating at all levels and want to continue recruiting new members into the RCCFO.

I have been with the RCCFO since 2017 and have had the pleasure of working many games with you all. I have been fortunate enough through the help of the RCCFO to work multiple sectional games and a state championship game. I look forward to giving back to the RCCFO for years to come.

I am a passionate and strong leader, on and off the field. Dedicated to rules study, self-improvement, and crew development. Always willing to learn and constantly evolve. I believe sharp mechanics, professionalism, and hustle are crucial to a successful game. Constantly seeking to improve myself and help my fellow officials improve.

I appreciate your time and consideration. I would appreciate your vote. I look forward to the opportunity to serve as a 3-year Member at Large member.

Sincerely,
Dylan Hill
