

Paul Marsh

As a 25-year member of RCCFO, and the Rochester District Umpires Association, I have officiated in over 4000 contests between the two sports, from youth, to semi-pro level.

As a member of the RDUA for 13 years, serving on the board of directors, as chairman of the board, president, and currently Vice President. I am also a member of the Sports Board council for 12 years.

With that experience, I have a very good understanding of the issues that come up, on and off the field for officials. With my experience in board meetings, I can navigate through the minutiae of these meetings and address the core issues that the membership deals with, so that things go smoother for the rank-and-file member. Your issues are my issues.

If elected for the 3-year Member at Large position, three main issues I plan to address are treatment of officials, assessment fees, and pregame meetings.

If you want to be treated respectfully on the field, stop giving away a portion of your game fees, and not be expected to show up 2 hours before a game, I am your man. Please vote.

Thank you for your attention and consideration.
