

Dear Fellow RCCFO Members,

I am grateful for the opportunity to run for the Member at Large board position. I have been officiating for approximately 11-12 years and have had the pleasure of working with so many of you during my tenure with RCCFO. I plan to continue officiating for many years to come.

My goal in running for Member at Large is help to the organization. My skill set is unique. Currently, I am the Director of Operations at Rochester Prep High School (first year with our own football team last year). In my role as a high school administrator, I manage our budget, own leader and staff communication, plan food service and school systems, support athletics by managing our athletic director, and much more. In the future, my hope is to humbly serve as our chapter's secretary – my professional skill set would be perfect for the position. In order to obtain that goal, becoming a Member at Large would be the logical first step, and I would be grateful to serve all of you in that capacity.

Anyone that has worked with me in recent years knows that on the field I am the ultimate hustler and collaborator. I am always moving and hustling and working to communicate effectively as a crew. I love coaching and working with kids, and the official-to-official relationships that we have is what brings me back to RCCFO each year.

I would be grateful to earn your vote for Member at Large. Thanks in advance for your support! I appreciate your consideration.

My best,
Jeff Allen
