

My name is Peter Lagueras and this is my 18th season officiating football. I have been a Big Brother and have been working closely with Dave Ashley over the last couple of years.

I would like to be a Member at Large mainly because I believe it is important to give back to RCCFO and to keep improving the chapter and trying to improve all officials that are a part of our "brotherhood." I am always listening to all officials that have questions whether it be rules or mechanics and am willing to discuss it or explain it in a way that makes sense for the officials.

I have helped many officials with the exams, so they are able to meet that part of the program. I try to officiate as many games as possible, so I am able to work with as many officials as possible. I would like to continue working with all of you and listening to your ideas in ways to help grow the chapter and making it more accessible for others to become an official.
