

My name is Tim Moriarity. I am 65yrs old, wife Pamela (married for 38 years), with one son Tim 26.

I have been with the RCCFO for 19 years. I am running for Member at Large as I retired two years ago with 42 years with same company (The New York Power Authority as a field Supervisor). After retiring, I found that have a little more time to offer the RCCFO Board. If elected, I will work closely with the board on any old and new business and anything our membership would like me too bring too the RCCFO board for discussion.

I would like to thank you all for your support in the upcoming elections.

Sincerely,
Tim Moriarity
